Dear Mr. Colby:

Thank you very much for your letter of October 12, transmitting Francis Farquhar's memorandum on the question of Mount Langley or Mount Corcoran. I note that you have also sent copies of Mr. Farquhar's memorandum to the Board of Geographical Names and to Superintendent White.

Mr. Farquhar has, in his usual thorough way, presented a very interesting and logical statement on the subject. To me his presentation is convincing and Mr. Joseph Dixon, our Field Naturalist, has commented: "I have been on the summit of this mountain and I agree 100 per cent with Mr. Colby and Mr. Farquhar in their recommendations."

I hope that the Board of Geographical Names will take action and definitely settle the controversy.

Sincerely yours,

(sgd) O. A. TOMLINSON.
